Experience

SME Solutions, Inc. Remote
Data Trainer - AI Training & Evaluation September 2026 - Present
Contributing to AI training projects by completing realistic computer-based workflows and evaluating task outputs to improve AI systems' ability to interact with digital applications. Performing structured annotation and quality evaluation with emphasis on accuracy, consistency, and natural human-computer interaction.

SME Solutions, Inc. Remote
Bengali Quality Assurance Lead October 2026 - Present
Selected for a remote contractor role focused on Bengali-language quality assurance for AI training projects. The role involves reviewing AI-generated content and contributor outputs for accuracy, grammar, fluency, tone, cultural appropriateness, and instruction-following. Responsibilities include providing structured feedback, supporting quality documentation, and helping improve AI training data quality. Project allocation pending.

SME Solutions, Inc. Remote
Market Research Expert October 2026 - Present
Selected for a remote contractor expert network focused on evaluating AI-generated market research deliverables. The role covers research methodology, survey design, competitive analysis, market sizing, evidence quality, and analytical reasoning. Responsibilities may include reviewing AI-generated research, identifying methodological flaws and unsupported claims, and assessing the quality of research outputs. No immediate project available; project allocation pending.

Micro1 Remote
AI Training Expert October 2026 - Present
Contributing to AI training through video-based annotation and evaluation for the Runway Annotations project. Reviewing short video clips and answering structured Yes/No questions with emphasis on accuracy, consistency, and attention to detail.

Correct Inc. (Testmitro AI & Cqrrect AI) Remote
Intern January 2026 - April 2026
Selected to work directly with the core team of an AI-first EdTech startup backed by Bangladesh ICT Division and Orange Corners Bangladesh. Contributing to marketing, operations, and communication initiatives while gaining hands-on exposure to AI-driven assessment products and startup execution in global-facing markets.

University Coaching Care (UCC Group) Dhaka, Bangladesh
Lecturer of Marketing September 2024 - Present
Delivered marketing curriculum to 100+ undergraduate students across multiple cohorts. Designed lecture materials simplifying frameworks including STP, 4Ps, and consumer behavior models.

Chorcha Remote
Proofreader of Business Studies Wing July 2024 - August 2024
Reviewed, edited, and refined 200+ academic contents in business studies to ensure clarity, consistency, and conceptual accuracy, contributing to the intellectual integrity of Chorcha's publications.

Leadership

Xenon Science Club Remote
Co-Founder & General Secretary May 2020 - December 2021
Co-founded a virtual science club during COVID-19 lockdown; grew membership to 500 students, organized 2 online events, and managed content publication and community operations for 20 months.

DU MIS Club Dhaka, Bangladesh
Senior Executive, Branding & Content Wing May 2025 - Present
Led branding and content initiatives and coordinated promotional activities to boost DU MIS Club's visibility and engagement. Collaborated with team members to ensure smooth execution of events and projects.

Dhaka University Career Club (DUCC) Dhaka, Bangladesh
Executive, Human Resources Wing November 2024 - August 2025
Increased club event attendance by 30%. Played a core HR role in multiple mega-scale events, managing 1,500+ visitors with different level of coordination of the club.

Honors & Achievements

Admitted with merit-based scholarships from 3 U.S. universities (Fall 2025 intake)
Selected through competitive international admissions evaluating academic performance, leadership, and profile strength.
